Dear Mr. Roberts & Association Members:

On behalf of the Heritage Award Committee of the Preservation and Conservation Association, I am pleased to announce that the Historic East Urbana Neighborhood Association has been selected to receive a 2004 Landscape Heritage Award. This award is in recognition of the brick sidewalk rehabilitation effort undertaken by the association and your subsequent brick paving workshop. A copy of the award will also be presented to the Public Works Division, City of Urbana for their efforts in this endeavor. This work serves as an example to the local community of the value of preserving and enhancing our natural environment.

The award will be presented at the Preservation and Conservation Association's Annual Membership Meeting. The meeting is scheduled for Sunday, March 28, from 2-4 pm at the Champaign Central High School Auditorium, 610 West University Avenue, Champaign. I hope that you will be able to attend.

Thank you for your efforts toward preserving the historic environment of Champaign County.

Sincerely,
